Cook With Kerosene Oil

USE the New Perfection Oil Cook Stove—end your kitchen fuel worries—and help save coal. You are more than repaid by the comfort and convenience it gives to cooking.

The Long Blue Chimney Burner lights and heats instantly—turns every drop of oil into clean, intense heat like gas. No fires to build and bother with. No soot, no odors. It has already banished coal stove drudgery from over 3,000,000 homes.

Come in any time and let us show you the New Perfection.

Your Car Needs Washing

So do most cars. The car that is frequently washed not only presents a better appearance but it retains its selling value much longer than the car that is neglected. When you permit your car to go without washing you are losing money. Frequent washing is good economy. We have all the facilities for washing cars and are prepared to give the best of service.
